HCPs

- **All Teams shall receive a Team HCP**; however in the event of a tie then the calculated "Avg. Team HCP" shall be used
- Team HCP's take into consideration the course slope
- Green Card players (with a HCP higher than 36) shall be allocated a maximum HCP of 36.0 for the tournament.

Rules and etiquette

Rules

1. Normal rules of golf apply
2. HCP registered in “Golfbox” on Wednesday 16th September (12:00) shall be used for both Saturday and Sunday *(i.e. no adjustments will be made after this date)*
3. Laser range finders and GPS systems may be used
4. Longest drive; is the first ball played from the tee box and must come to rest on the fairway: **HOLE #11**
5. Nearest the pin (Par 3), is the first ball played from the tee box and must come to rest on the green: **HOLE #8**
Measurement shall be made from the edge of the hole (and NOT the centre).
6. In the event of a tie (Stableford) then; lowest decimal HCP followed by last 3, 6, 9 holes and so forth (most points).

Etiquette

- Be ready to play your shot when it’s your turn; have an extra ball on you just in case you have to play a provisional ball
- On the green be effective, line up your putt while the other players take their putt
- REMEMBER, try to keep in contact with the flight in front of you
- If you loose contact with the flight in front (more than one hole), then pick up your ball when you cannot score any points
- **And gentlemen**, please be polite to the ladies. *Remember* to wait until the ladies have played their ball from the ladies.

Texas Scramble - Rules & scoring (strokes)

1. Each team shall consist of 3 or 4 players.
2. The **Team Captain shall be responsible for registering the score (gross strokes) and stableford points for each hole** and ensuring the rules of golf are followed.
3. All **players shall tee off at each hole** (men from the Yellow and ladies from the Red tees).
4. A **minimum of 3 tee shots per player** (for a team of three or four) shall be selected **over the 18 holes**.
5. The **Team Captain shall choose the shot to be used and marks the position** within 15cm / a score card length with a tee peg (not nearer the hole).
6. The **player whose ball has been chosen then plays their next shot first** (*the ball shall be played as it lies*).
7. The **remaining players then play within 15cm / a score card length of the tee peg (not nearer the hole)**.
Note! The ball shall be placed on closely mown areas (fairway) and dropped if the chosen ball is in the rough or a hazard.
8. The **above method of play is followed until the green is reached (rules 5 to 7)**
9. On **the green the same method applies, all players putt from the same spot in turn**.
10. A **player must mark the ball after putting if it is in the “chosen” position**. Play continues from each chosen position until the ball is holed-out **OR** if the balls comes to rest within 15cm / a score card length from the hole then the putt may be **“given” (gimme)**. **HOWEVER, DON'T FORGET TO ADD THE “GIMME” STROKE TO THE SCORE!**
11. The **score for each hole is the total number of strokes from the chosen spots** (including the tee shot and any gimmies).
i.e. you only count one stroke from each chosen spot including the tee shot, gimmies and **penalties if applicable**
12. All other rules of golf apply to the “Ball in Play” including penalties for water hazards and out-of-bounds etc.

Texas Scramble - HCP and stableford points

Each Team shall be allocated a **Team HCP** based on the following formula:

1. Each team member will receive a course “slope” adjusted HCP
2. The sum of all team members course “slope” adjusted HCPs shall be divided by:
6 for a team of four or
4.5 for a team of three

3. Calculation examples:

EXAMPLE 1: $Team\ HCP = 18 \sim 18.33 = \frac{43 + 25 + 24 + 18}{6}$ (for 4 player team)

EXAMPLE 2: $Team\ HCP = 19 \sim 18.67 = \frac{43 + 25 + 16}{4.5}$ (for 3 player team)

4. Stableford points shall be award based on the teams score (gross strokes) for each hole and the **Team HCP**
5. The winning team will be the one with the highest stableford points and so on
6. In the event of a tie, then the “lowest” calculated “Avg. Team HCP” shall be used (two decimal places if necessary)
7. All Teams HCP’s shall be calculated by the Tour Coordinator and finalised no later than 16th September.
